Remark :

There is no relevant documents provided by HEI based on which number of the students enrolled in an academic year could be calculated. HEI has provided number of the students admitted in each academic year. DVV input has been changed as per sum of previous year students admitted and current year admitted students. For example in 2016-17 admitted students are 11 and 2015-16 total admitted students are 49, so the total number of enrolled students in 2016-17 is taken as 60 .
